# About our Company

Established in 2010, **First Home Owners Centre** is part of the award winning, highly respected and family-owned Aveling Homes Group. Since our inception, we have built thousands of homes throughout the metropolitan area and the South West - as well as over 90 display homes in some of Perth's most popular estates owned by Satterley, Stockland, Peet, LWP and Mirvac.

# Turning Dreams Into Keys: The New Homeowner Grant Benefits

Welcome to the First Home Owners Centre, where dreams of owning your own home become reality with the help of the **New Home Owner Grant**. Designed to support aspiring homeowners in their journey towards purchasing their first property, the New Home Owner Grant provides financial assistance to eligible individuals or families.

This grant serves as a crucial stepping stone for first-time buyers, offering them a boost to kickstart their homeownership journey. Whether you're planning to build a new home or purchase an existing one, the New Home Owner Grant can help alleviate some of the initial financial burdens associated with home ownership.

# Thank you!
